This vibrant photo captures a joyful young man celebrating Holi, the Indian festival of colors. He is smiling with his arms folded, his face and shirt covered in bright hues of yellow, green, and blue. The background shows other people enjoying the festivities on a sunny day, with colorful decorations adding to the festive mood.

Creativity Skill

Photography is more than just capturing pictures for me. it is a way to express creativity and see the world from a unique perspective. Every frame tells a story, captures emotions, and turns ordinary moments into meaningful memories. Through photography, I explore ideas, play with light and angles, and transform simple scenes into creative visuals that leave a lasting impression. 📷✨

About Me

I am a passionate photographer with experience in fashion, event, nature, portrait, and candid photography. I enjoy capturing real moments and creating high-quality visual content that tells a story.

Experience

- EVENT PHOTOGRAPHER

2023

I worked as a photographer for AI Manthan, a prestigious event organized by IIM Nagpur. I was responsible for capturing keynote sessions, speaker panels, and candid moments throughout the event. My work contributed to the official event coverage, promotional content, and post-event highlights
- YCCE PHOTOGRAPHY CLUB CO-HEAD

2023-2025

I served as the Co-Head of the Photography Club at YCCE for two years. During this period, I led photography coverage for major campus events, including cultural fests, farewell functions, conferences, and technical programs. I also mentored junior members, coordinated event photography teams, and ensured high standards of creative output.
- ENGINEERING INDIA PHOTOGRAPHER

2023-2025

I contributed as a photographer for Engineering India, capturing moments from professional events, conferences, and workshops. My work supported the organization's promotional materials, reports, and digital platforms by providing high-quality visual content
- FREELANCE PHOTOGRAPHER

As a freelance photographer, I work on various independent projects, including event coverage, portrait sessions, and creative shoots. I collaborate closely with clients to meet project expectations and deliver professional, high-impact visual content tailored to their needs.
